COMMISSIONERS' REPORT

To the Citizens of Grafton County:

Your Commissioners herewith present their report together with reports of the Sheriff, Solicitor, Clerk of the Court, Jailer and Treasurer and the Auditors and Superintendent, Physician and Chaplain of the County Farm for the year ending December 31, 1920 and a statement of the financial standing of the County at the close of the year.

When the estimates for appropriations were made two years ago there was a general feeling that the limit of high prices had been reached and the commissioners made their estimates for the two years with that in view, but such was not the case, and although economy has been practised in every department a decrease in the surplus has been unavoidable.

The high prices of provisions, clothing and fuel have increased the cost of supporting paupers on and off the Farm, a great deal over any previous two years. The inventory at the Farm shows a decrease from last year, owing to the drop in prices of live stock last fall, although we have a larger and better stock than last year.

The Farm is still under the management of Mr. and Mrs. A. H. Parker, Superintendent and Matron, and Mr. H. D. Harriman, Assistant Superintendent, all of whom are working for the best interests of the county, giving the inmates good care and attention. The Farm produced the past year, 350 tons of hay, 700 bushels oats and 300 tons ensilage, besides a large quantity of potatoes and vegetables of all kinds.

The live stock consists of 157 head of cattle, con-

sisting of 21 thoroughbred Holsteins, 16 thoroughbred Herefords, the balance high grade of both breeds; 87 hogs and 5 horses.

The Farm and equipment are worthy of inspection and the public is always welcomed and shown over the place.

Respectfully submitted,

ORA A. BROWN,

HARRY E. MORRISON,

GEORGE H. TURNER,

Commissioners.

Total cost of supporting paupers at County	
Farm for the year ending Decem- ber 31, 1920	\$27,469 18

In accordance with Chapter 30, Section 1, Public Statutes, the Superintendent of the County Farm, shall make up his report to January 1, annually, and also Section 2 of said chapter requires that the Superintendent's report shall contain, in addition, a list of paupers actually supported at the Farm, and the number of weeks each was supported, also a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending December 31, 1920 was 135. The number of weeks' board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual, and dividing that number by seven, which gives the total number of weeks each was supported.

The whole cost of supporting paupers at the Farm for the year ending December 31, 1920 was \$27,469.18. This sum divided by the whole number of weeks furnished, viz; 3,575 gives \$7.62 plus, as the price per week.

Before closing my report I wish to extend my sincere thanks to the Commissioners, Chaplain, Physician and all connected with the institution for their hearty cooperation at all times, also the W. C. T. U., Tracy Ross Post of the American Legion, and kind friends who so generously remembered the inmates at Christmas and at various times throughout the year.

Respectfully submitted,

ALVAH H. PARKER,
Superintendent.

We, the undersigned, hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the County of Grafton for the year ending December 31, 1920 and find the same to be properly vouched and correctly cast.

ORA A. BROWN,
HARRY E. MORRISON,
GEORGE H. TURNER,
Commissioners of Grafton County.

Chaplain's Report

To the Honorable Board of

Grafton County Commissioners:

The closing of the year gives me the opportunity to present my fourth annual report to your Honorable Body.

The Superintendent and Matron, Mr. and Mrs. Alvah Parker have proven themselves equal to the task of caring for all departments of the institution in a manner which must be gratifying to all who visit the home.

Religious literature, books, and magazines have been given very freely by the North Haverhill Sunday school and many other friends of the inmates.

In my visits to the hospital I have found the regular and supply nurses tenderly caring for the sick and afflicted.

Sunday services have been held every two weeks which are well attended. The efforts of the Superintendent and Matron help to make the attendance good which is highly gratifying. Miss Sargent of Woodsville and Miss Dolan, the nurse, presided at the organ during the year. Their services were much appreciated.

The annual flower day in June held by the W. C. T. U. was greatly enjoyed by all present. Ice cream, cake, oranges, bananas and candy was served to all the inmates.

Christmas was observed as usual with an interesting program by young ladies from Woodsville and members of the home.

In addition to presents taken from two well laden trees, Mr. and Mrs. Parker and friends gave a fine treat of corn balls and candy to all present. It was a very joyful occasion for all.

I note with pleasure the clean appearance throughout the entire institution.

My closing word is to thank the Board of Commissioners, Superintendent, Matron, Nurse, and Jailer for kindness shown me in my official capacity.

Report of County Physician

To the Commissioners of Grafton County:—

The work accomplished at the County Hospital during the past year, under the management of Supt. and Mrs. Alvah H. Parker, has been of a very high order. As in similar Institutions most of the patients admitted are chronic cases of long standing, many of whom have been poorly and irregularly nourished. To such, the Hospital with its comfortable rooms, clean beds and proper food, kindly nursing and pleasant surroundings, has proven a real haven of refuge.

It is the policy of the Institution first to redouble efforts for a cure and when that is impossible, to smooth the pathway for them and in every way possible to comfort them in their declining years.

The sanitary arrangements of the Hospital are excellent, and there has been no epidemic or any cases of contagious disease. I would particularly mention the cleanliness which at all times prevails, not only in the Hospital but also in the Almshouse, House of Correction and the Jail. Those of you who have had experience in such matters know how hard it is to maintain an Institution of this kind in a sanitary condition. Nevertheless this Institution is at all times clean.

During the past year, there has been a steady growth in the morale of patients and inmates, all of whom seem to be trying to do their best and there-

fore harmony and good fellowship prevails among them. The sincere work of our Chaplain, Rev. Dick Burns, is bearing fruit.

From my continued observation I would highly commend Supt. and Mrs. Alvah H. Parker and Asst. Supt. Henry D. Harriman for their efficient management of the Institution and their unfeigned interest in the welfare of every patient and inmate.

I particularly desire to express my deep appreciation of your moral and financial support in caring for the sick poor of Grafton County.

To the members of the County Delegation I would report that I have visited several other County Hospitals and it appears that in the care of patients and inmates, the Grafton County Institution is equalled by few and excelled by none.

Respectfully submitted.

ELMER M. MILLER,
County Physician.

Report of County Solicitor

Enfield, N. H., December 31, 1920.

To the Honorable Board of Commissioners for the
County of Grafton:

I herewith present my second annual report covering, substantially, the work of this office for the year ending on the above date.

Grafton County is fortunate. The wave of crime now sweeping the country seems not to have reached it to an alarming extent. Belief is general that within a short period the pulse of industry will again become strong and man will turn from the pursuits of crime to the pursuits of industrial peace and plenty.

There have occurred within the county but two, or three, cases of wilful and malicious killing and these have been disposed of with merited and substantial sentences without vexatious and expensive trials.

In dealing with juvenile offenders, where the offence is not too serious in its nature. I find that much can be saved to the county by preferring a charge of delinquency in the lower courts thus making it there heard and determinable. This saves the expense of witnesses before the grand jury and many trips from some point in Grafton County to the Industrial School in Manchester. In dealing with offenders under seventeen years of age for the ordinary crimes, the sentence, if imposed, is usually an Industrial School sentence, and by the adoption of the above method the the same results are obtained with a minimum of expense.

Municipal Court Justices should be more prompt in forwarding copies to the Solicitor as they should also be more careful in making such copies. Many of them are loosely and carelessly made with many failures to return the list of witnesses, their attendance and travel. This practice is productive of much trouble since in making up the pay-roll such witnesses are omitted.

A list of cases disposed of in the Superior Court is hereto appended.

Respectfully submitted,

JOHN H. NOONAN,
County Solicitor.
